

NGO WEBSITE FEATURE HIGHLIGHT REPORT

Submitted By
Name - Hrituraj Saha
Organization - InAmigos Foundation
Date - 15/06/2026

1. Introduction

The purpose of this task was to identify and design essential features that should be included in an NGO website. A well-designed NGO website helps organizations build trust, engage supporters, attract volunteers, showcase impact, and facilitate donations.

Using Figma, a homepage layout was created to visually demonstrate the most important sections that can improve user engagement and support the foundation's mission.

2. Objectives

The main objectives of this project were -

- To understand the key functionalities of an NGO website.
- To create a simple and user-friendly website layout.
- To highlight features that improve donor engagement and volunteer participation.
- To present ideas that can be implemented in the organization's future website development.

3. Features Included in the Design

3.1 Hero Section

The Hero Section serves as the first point of interaction for visitors.

Purpose -

- Communicates the NGO's mission clearly.
- Creates a strong first impression.
- Encourages immediate action.

Key Elements -

- NGO logo.
- Mission statement.
- Donate Now button.
- Become a Volunteer button.
- Inspirational banner image.

Benefits -

- Improves visitor engagement.
- Increases conversion opportunities.

3.2 Impact Showcase

The Impact Showcase displays measurable achievements of the organization.

Purpose -

- Build transparency and trust.
- Demonstrate the effectiveness of the NGO's work.

Key Metrics Displayed -

- Lives Impacted.
- Number of Volunteers.
- Projects Completed.
- Communities Supported.

Benefits -

- Enhances credibility.
- Motivates visitors to contribute.

3.3 Donation Section

The Donation Section provides a simple way for users to financially support the organization.

Features -

- Multiple donation amount options.
- Custom donation field.
- Secure donation button.

Benefits -

- Encourages fundraising.
- Simplifies the donation process.
- Improves donor experience.

3.4 Volunteer Registration Form

This section allows interested individuals to join the NGO as volunteers.

Form Fields -

- Full Name.
- Email Address.
- Phone Number.
- Area of Interest.

Benefits -

- Simplifies volunteer onboarding.
- Helps build a stronger volunteer network.
- Supports community engagement.

3.5 Campaigns and Programs Section

The Campaigns Section highlights ongoing initiatives and projects.

Example Campaigns -

- Education for Every Child.
- Food Distribution Drive.
- Environmental Awareness Program.

Benefits -

- Increases awareness of current activities.
- Encourages participation and donations.
- Keeps visitors informed about ongoing efforts.

3.6 Testimonials Section

Testimonials showcase real experiences from volunteers, beneficiaries, and supporters.

Purpose -

- Provide social proof.
- Build trust among new visitors.

Benefits -

- Increases credibility.
- Creates emotional connection with visitors.
- Encourages engagement.

4. Design Approach

The website was designed using the following principles -

- Clean and modern interface.
- User-friendly navigation.
- Professional NGO-focused color scheme.
- Clear call-to-action buttons.
- Responsive layout structure.
- Accessibility and readability.

The design prioritizes trust, transparency, and ease of interaction for donors, volunteers, and beneficiaries.

6. Conclusion

This project helped in understanding the essential features required for an effective NGO website. The proposed design focuses on donations, volunteer engagement, impact visibility, campaign promotion, and trust-building through testimonials. Implementing these features can significantly improve user engagement and support the organization's mission of creating positive social impact.
